

## Regulations related to ESF funding

1. On all your **information and communication activities** we have the liability to refer to the funding by the European Structural and Investment Funds (ESF) at least with the ESF logo depicted in Fig.1. Additionally, we can use the logo in Fig. 2, but that's optional. The logos you can **download from the website**.

Information and communication activities are **emails, website, reports, posters, presentations, certificates of attendance, business cards**.

- Do not change or cut the logo.
- Using other logos, take care they are not larger than the ESF logo.
- The smallest size of the logo is 8 mm.
